

BELLEVUE HIGH VOLLEYBALL BOOSTERS

The Bellevue High School Volleyball Boosters support and drive spirit for our teams! The more we fund, the more we can boost! The Booster program helps fund the following types of activities, because of your participation & generosity:

- Support our coaching staff and supplement additional coaching costs as needed. We provide logistical, communication and financial support where we can so that our coaches can focus on coaching and developing our players.
- Cover additional costs for equipment and line judges when needed. As needed, we assist with funds for new uniforms every four years
- Maintain the Bellevue Volleyball website
- Support any player who needs financial aid for spirit wear, practice t-shirts, team events and/or the banquet.
- Subsidize the banquet so all families and players can participate.
- Host Senior Night to honor our seniors and celebrate their tenure as a volleyball player at BHS.
- Sponsor team bonding activities/events event for each team
- Sponsor promotions, such as student pizza night, that encourage the BHS student body to attend our home games.
- Host Dig Pink for Breast Cancer Awareness (each team creates a basket to be raffled at the game)

To kick off the 2023 season and fund the Booster Club we are asking each family to contribute what you can. Please consider a gift of \$150 for Varsity team families and \$100 for JV/C team families.

Your contribution is tax deductible! You can also submit your donation to your company matching program as we are a 503c non-profit organization and qualify for matching. Many employers already have us in their benefit systems to match.

Payments can be made via **Paypal** <https://www.bellevuevolleyball.com> or by **Check**- payable to "Bellevue Wolverine Volleyball Boosters" and given to the Booster Board Treasurer, Mas Jacobsen, or any Booster Board member.

Thanks for your support - Go Wolverines!
